OCCUPATION CERTIFICATE

Issued under the Environmental Planning and Assessment Act 1979.

Occupation Certificate No. 23/0296/04

Steve Watson & Partners (Sydney) certifies that:

- It has been appointed as the Principal Certifier under section 6.5 (prev. s109E) of the Act.
- The health and safety of the occupants of the building have been taken into consideration where an occupation certificate for part of a new building (or partially completed building) is being issued, and
- A current development consent is in force with respect to the building,
- If any building work has been carried out, a current construction certificate has been issued with respect to the plans and specifications for the building (or part of the building),
- The building (or part of the building) is suitable for occupation or use in accordance with its classification under the *Building Code of Australia*, and
- Such other requirements of the Regulations as are required to be complied with prior to the issue of this certificate have been met, and
- A fire safety certificate has been issued for the building (if a fire safety schedule is required under Part 10), and
- A report from the Fire Commissioner has been considered (if required).
