WILLIAM CLARKE  
COLLEGE  
CHRIST OUR WISDOM

# MESSAGE FROM THE HEADMASTER

This document contains a brief overview of student results from the 2020 High School Certificate.

Throughout 2020, William Clarke's Year 12 students demonstrated incredible resilience, focus, compassion and strength in a year like no other.

William Clarke College takes great pride in being a Christ-centred community that seeks to develop extraordinary learners with a passion to serve others. For the Class of 2020, there is no doubt that they are a cohort that have done just that, from caring and supporting each other during their final year to embracing every aspect of their learning.

A hallmark of a successful school is that we develop young people of good character who, equipped with the ability to think critically, can then genuinely make our world a better place. More than ever today, I believe we need young adults who care about our world, who have the intellect to think about what needs changing and improving, and the character strength to take on the

challenges and do something about it. Character qualities like courage, integrity, humility, justice, ingenuity, and finally hope. Hope for a better and brighter future – hope that knows God has a redeeming plan for humanity.

These HSC results reaffirm the quality of teaching and learning at the College, as well as the collaborative work of our staff in the provision of an engaging and nurturing academic environment.

Finally, thank you to our parents and carers for partnering with the College as we continue to prepare students for success beyond success at school.

Well done Class of 2020. These results are a credit to you. May you take hold of what lies before you and become who God has created you to be.
