# INTRODUCTION

William Clarke College prides itself on providing an holistic educational experience for all students. This includes the opportunity to take part in a wide variety of sporting pursuits. The College seeks to encourage students of all sporting abilities to be involved and consistently enters over 80 teams in competitions across the year. Those not selected to represent the College also have the ability to take part in opportunities such as training programs and Inter-House Sport.

The College is a member of the Hills Zone Sports Association (HZSA), the Association of Independent Co-Educational Schools (AICES) and New South Wales Combined Independent Schools (NSWCIS). HZSA has been facilitating students' involvement in sport for over 25 years, and currently administers weekly competitions and carnivals which are utilised by 15 schools. AICES encompasses over 80 schools across the state, and primarily provides a representative pathway between HZSA and NSWCIS for both team and individual sports. NSWCIS is a representative level within school sport that covers all independent schools in NSW. They also administer a small number of sporting competitions.

The College's Rugby teams take part in the North West Sydney Rugby Championships (NWSRC). This very young competition includes teams from five schools.

## PROGRAM PHILOSOPHY

The Sporting Program at William Clarke College seeks, above all, to provide opportunities for growth in our students' character, sportsmanship and leadership capabilities. It is because of this focus that our coaches are reminded that personal development is just as important as, and often more important than, on-field results. At the same time, we take great pride in developing teams who showcase high levels of skill, teamwork and determination, always striving to compete at every opportunity.

Our sporting philosophy can be summed up in one word: respect – for yourself, for each other and for everyone else. This framework encourages all students to give their best, take pride in their performance and demeanour, display teamwork and joy in their teammates' success, and honour the spirit of the game at all times.

## COMMUNICATION

The College utilises two main communication channels when disseminating information regarding the Sport Program. All general information is communicated through Connect (as is the case for other College communication). Students and parents/carers are encouraged to check this platform on a regular basis.

The College also utilises Clipboard which provides parents/carers the ability to register and pay for sporting teams and training opportunities. Clipboard also provides information regarding training sessions and games. This information can be accessed through the College App by tapping on the Co-curricular button. Training sessions and games can also be found on the students' calendars on Connect.

# CARNIVALS

The three big sporting carnivals are highlights of the College calendar for both Primary and Secondary students. The Swimming, Cross Country and Athletics carnivals are fantastic opportunities for students from Years 3-12 to participate in events as they represent their House.

All College carnivals have a large participation component with the winning House often being the one with the highest student involvement.

In 2026, the carnivals will take place as follows:

## PRIMARY

|               |                       |
|---------------|-----------------------|
| Swimming      | Wednesday 11 February |
| Cross Country | Thursday 30 April     |
| Athletics     | Friday 31 July        |

## SECONDARY

|               |                     |
|---------------|---------------------|
| Swimming      | Thursday 5 February |
| Cross Country | Friday 1 May        |
| Athletics     | Thursday 23 July    |

## WEEKLY SPORT SECONDARY

HZSA sports is played after school on various days through the week. Games typically start at 4:00pm with some Senior games starting at 4:45pm. The Association offers competitions in a number of sports across semesterised seasons as follows:

### SEMESTER 1

| BOYS       | GIRLS   |
|------------|---------|
| Basketball | Futsal  |
| Football   | Netball |

### SEMESTER 2

| BOYS           | GIRLS          |
|----------------|----------------|
| Cricket        | Basketball     |
| Futsal         | Football       |
| Touch Football | Touch Football |
| Volleyball     | Volleyball     |

The College Rugby teams take part in NWSRC competitions, with seasons structured as follows:

|           |               |
|-----------|---------------|
| Under 14s | Term 3        |
| Under 16s | Terms 2 and 3 |
| Opens     | Term 2        |

All students who take part in weekly sport will be charged a \$100 fee which covers bus transport to games and competition entry fees. Students are required to find their own way home after games.

These fees are payable through Clipboard and it is through this process parents/carers grant permission for their child to be involved.

# WEEKLY SPORT PRIMARY

In Primary School, HZSA sport is played during the school day. Year 3 and 4 play on Friday afternoons while Year 5 and 6 play on Wednesdays. These games begin at 1:15pm on both days. Year 3 and 4 sports are set each year with Year 5 and 6 sports running on a two year rotation as follows:

## SEMESTER 1

|                    |  |
|--------------------|--|
| Year 3 and 4 Boys  | Football                               |
| Year 3 and 4 Girls | Netball                                |
| Year 5 and 6 Boys  | Football (2026)                        |
| Year 5 and 6 Girls | Netball (2026) - Touch Football (2027) |

## SEMESTER 2

|                    |   |
|--------------------|---|
| Year 3 and 4 Boys  | Basketball                                |
| Year 3 and 4 Girls | Football                                  |
| Year 5 and 6 Boys  | Basketball (2026) - Touch Football (2027) |
| Year 5 and 6 Girls | Football (2026) - Basketball (2027)       |

## FIRSTS TEAMS

The College has an expanding program of Firsts teams in a number of sports. These are teams who are selected as the College's top teams and who enter competitions administered by various associations. These teams require additional fees to be paid which cover extended coaching and transport costs as well as training shirts. These sports and fees are as follows:

| TEAM             | COMPETITION(S)                                     | FEES  |
|------------------|--|-------|
| U16s Basketball  | Basketball NSW Schools Championships               | \$100 |
| Opens Basketball | AICES Cup and Basketball NSW Schools Championships | \$100 |
| U15s Football    | Bill Turner Cup/Trophy                             | \$100 |
| Opens Football   | NSWCIS Cup   | \$100 |
| Opens Rugby      | NWSRC, AICES Cup and Charity Shield                | \$50  |

### TRAINING EXPECTATIONS

Students involved in College teams are expected to attend all scheduled training sessions. These sessions take place once a week throughout the season and will occur either before or after school. Students are expected to inform their coach and Master in Charge (MIC) of their inability to attend any training session or game as early as possible. Students who consistently fail to attend training without notifying their coach risk forfeiting their position in the team.

Training is a vital part of a team sport, and as with games, students are expected to give their all and exemplify the characteristics of respect that personify the vision of the College's program.

# UNIFORM REQUIREMENTS

Each sport has specific uniform requirements. All students are expected to wear all items of their uniform to every game. Students are also expected to wear their College sport uniform to all training sessions (including provided training shirts for all Firsts teams).

Uniform requirements are as follows:

## BASKETBALL

Basketball Singlet      Competition Shorts      Basketball Socks

## CRICKET

## RECOGNITION OF SPORTING SUCCESS

The College highlights student success wherever possible. This includes the success of College teams as well as the selection of students for high-level representation. Recognition occurs through various means, including Connect posts, assembly announcements and social media posts, to name a few.

The College also seeks to assist families whose children are representing the College at high levels of competition through the Contribution to Higher Level Representation Fund. This monetary contribution from the College seeks to assist parents by providing various amounts of money in accordance with the level of representation. Further details regarding this policy can be obtained by emailing the Director of Co-curricular. Please note this policy only accounts for students incurring significant costs and only starts at the NSW CIS level.

For all students representing the College at representative trials, William Clarke College subsidises 50% of all trial fees.

Each year at Presentation Day, the College recognises the students who have contributed significantly to the College's sporting program. This award is determined through a formula which takes into account the number of sports in which each student has been a part of and the level at which they have represented those sports.

## CODE OF CONDUCT

All students and parents/carers are required to abide by the College's Sporting Code of Conduct. A copy of the document can be found [here](#).
