A MESSAGE FROM THE HEAD OF COLLEGE

I am delighted to share the HSC results from the Class of 2025. The Higher School Certificate represents the result of sustained effort from students, supported by their teachers and families. These outcomes demonstrate the College's commitment to excellence in teaching and learning, and its ability to develop extraordinary learners.

Of course, we celebrate those who have achieved at the highest level. These achievements include three students appearing on the All-Rounders Achievers Merit List, one student placing First in Course in NSW, four students appearing on the Top Achievers Merit List, 63 students appearing on the Distinguished Achievers Merit List, and the 16 nominations for possible inclusion in HSC showcase exhibitions. We also celebrate those students who have made significant progress in their learning, regardless of their final mark. While individual student progress of this kind is not seen through publicly available data, we have seen their learning growth firsthand and are delighted with all that they have achieved.

It is very pleasing to see our students perform at such a high standard across a broad range of

courses, demonstrating the way our students have been able to pursue their passions and prepare themselves for further study and work in a wide range of areas.

As we reflect on some of these wonderful achievements of our students, it is important to recognise that a William Clarke College education cannot be captured in an examination mark. As our students have developed academic mastery, they have also grown in their character, their maturity, and their ability to face new challenges with confidence and skill. It is my prayer that the Class of 2025 will not only continue to develop their knowledge and skills but will continue to seek out ways that they can serve others with what they have been given.

Well done to the Class of 2025. We pray that God blesses you in the years ahead and we look forward to seeing the many ways you will take what you have learned here and make a positive difference in God's world.

A handwritten signature in black ink, appearing to read "Alex Koch". The signature is fluid and cursive, with a distinct "K" at the end.
