

Overseas Student Information

College Premises

William Clarke College is located in the heart of Kellyville in north-west Sydney. The Preparatory (age 4) to Year 12 (age 18) co-educational College is highly regarded for its strong Christian Foundation, the quality of its pastoral care and the strength of relationships between students, teachers and parents/carers.

The College is registered with and accredited by both the NSW Education Standards Authority (NESA) and the NSW Vocational Education & Training Accreditation Board (VETAB) to provide courses of studies for Overseas students from Year 7 to Year 10 (Junior Secondary) and Year 11 to Year 12 (Senior Secondary).

The College campus has a modern Library, new air-conditioned classrooms with SmartBoard technology, extensive access to Information Technology, Music & Drama performance areas and a commercial kitchen, large oval, tennis & basketball courts, cricket nets, PE training/weights room and a large Sports Centre.

Note: The College does not use education agents in its enrolment process.

Accommodation Options

William Clarke College accepts two accommodation options for an Overseas student:

- with a guardian/carer; or
- with a College-approved homestay family.

All Overseas students studying at William Clarke College require a guardian/carer. A guardian/carer is a relative (brother, sister, grandparent, aunt, uncle, niece, nephew, step-parent, stepbrother, stepsister, step-aunt, step-uncle, step-grandparent) and who is:

- a) nominated in writing by the student's parents
- b) a resident of NSW
- c) 21 years of age or over
- d) able to remain in Australia until the student has completed their course of study
- e) able to provide proof of relationship to the student.

A homestay parent is one who offers the facilities of their home to an Overseas student in exchange for monetary remuneration. The homestay parent is not related to the Overseas student but takes on the role of guardian/carer. William Clarke College can provide introductions to prior-approved homestay families within easy travelling distance of the College. All homestay parents will have completed a *Working with Children Check*.

Any accommodation and guardianship arrangements will only be confirmed once the Director of Enrolments/Overseas Student Co-ordinator has visited the intended home and has approved the accommodation arrangements prior to the student commencing at William Clarke College. Approval by the Director of Enrolments/Overseas Student Co-ordinator is based upon proximity to school, cleanliness, safety, private room setup, bathroom, provision of meals and willingness of family to accommodate and provide support to the student.

Should a suggested homestay not be approved, alternative homestays will be discussed with the applicant's family prior to entry.

Homestays are visited annually by the Director of Enrolments/Overseas Student Co-ordinator and the College continually monitors the homestay and guardianship arrangements until the end of the course; or the student transfers to another registered provider; or leaves Australia; or other suitable arrangements are made that satisfy migration regulations; or the College can no longer approve of the homestay arrangements for the student.

Should a student/guardian/family wish to change accommodation or guardianship arrangements while studying at the College, this must be advised in writing by the guardian/parent well prior to any changes in the arrangement and the College will advise the appropriate government authorities. Please contact Enrolments at enrolments@wcc.nsw.edu.au for further information regarding homestays.

- If a vacancy exists for the relevant year level that the student is applying for, the student may, depending on their proven language proficiency, have to undertake an Academic and General Overseas English Language Testing System (IELTS) examination.
- The results from the IELTS examination is used in conjunction with school subject reports to determine the readiness of students for Year 7-10 courses and as candidates for the Record of School Achievement (RoSA), the Year 11 Preliminary Certificate and the Year 12 Higher School Certificate.
- For admission into Year 10 for Term 4, students are required to demonstrate English language proficiency for Year 11.
- The minimum IELTS English language proficiency scores for entry into Years 7-10 or Years 11 and 12 is seven (7).

All costs associated with the IELTS testing are to be paid by the family/student. Please refer to the IELTS website www.ielts.org/default.aspx for indicative costing and a description of the

testing. The IELTS examination is made up of four parts – Listening, Reading, Writing and Speaking.

An application to the College and undertaking the IELTS test does not imply that William Clarke College will make an Offer of Enrolment.

Offer of Enrolment

An Offer of Enrolment may be made by the College subject to the following:

- a place being available at the year level required
- assessment of the IELTS test result
- student's current school reports
- a literacy and numeracy test at the College
- an interview with the Director of Enrolments at the College.

To accept an Offer of Enrolment, the requested non-refundable Enrolment Fee must be paid prior to the nominated date.

Once the Enrolment Fee is paid, an electronic *Confirmation of Enrolment (eCoE)* and *Confirmation of Accommodation and Welfare Arrangements (CAAW)* are issued, which are required for application to the Australian Government for a Student Visa.

Tuition Fees

Please refer to Overseas Student Fee Structure available on the College website www.wcc.nsw.edu.au for current fees applicable to Overseas students.

Tuition Fees do not include payments for camps, excursions, incursions, carnivals, textbooks nor amounts relative to representative sport, music tuition, instrument hire, drama performances and visual art subject needs. These items are subject to either a Year Levy or individual charge. Fees are payable in four instalments, at the commencement of each term.

Refund of Fees

While fees and expenses are payable at the commencement of each term, if this cannot be adhered to because of personal or financial difficulties, application for variation of payment must be made in writing to the Business Manager. In addition, the College reserves the right, which may be exercised at any time, to refuse to allow a pupil to continue his/her education at the College, while any fees remain unpaid.

One full term's notice in writing of the intention to withdraw a student from the College is required, otherwise an amount equal to one term's fee is payable in lieu thereof.

Should a Student Visa be refused, the College will refund any Tuition Fees paid within four (4) weeks. Should the College be unable to provide the course of study in which the student has enrolled the College will:

- pay a full refund to each student who had a eCoE approved, Visa granted and studying status within two (2) weeks of the default date; or
- arrange for the student to be offered a place in an alternative course(s) delivered by a CRICOS registered provider at the College's expense. If the student accepts the offer of placement in an alternative course(s) in writing, the College is relieved of its liability to provide a refund to the student; or
- arrange for its Tuition Assurance Scheme to promptly offer affected students a place in suitable alternative course(s). If the student accepts the offer of a placement in a

suitable alternative course(s), in writing, the College is relieved of its liability to provide a refund to the student.

The College policy of refund of fees, and the availability of the complaints and appeal process, does not remove the right of the student to take further action under Australia's Consumer Protection Laws. Parents wishing to claim a refund for fees paid should apply in writing to the Business Manager.

Dispute Resolution

Should an issue arise that a student wishes to discuss and resolve, they should seek first to resolve the issue with the individual teacher as quickly as possible. After discussion, should the issue remain unresolved, the teacher will then seek to involve the Head of Faculty and the following if needed:

- Tutor and ~~Head of House~~
- Director of Enrolments/Overseas Student Co-ordinator
- Head of Secondary
- Deputy ~~Headmaster~~
- Headmaster.

If the matter is unresolved internally at this point, the College will engage upon request by the parent, guardian/carer or student an independent arbiter to adjudicate. The cost of the independent arbiter will be paid by the College. The College will continue to support the student during this process and will not seek to terminate the student's enrolment until the matter is fully resolved.

The College's dispute resolution processes do not circumscribe the student's right to pursue other legal remedies.

Deferring, Suspending or Cancelling Studies

Should a student wish to defer or cancel their studies, the student and family will be counselled on the effect this may have on their Student Visa and studies at William Clarke College.

Should a student need to suspend their studies, full discussions with the student and family will be undertaken on the effect this may have on the continuation of their Student Visa. All efforts will be made to support the student to continue their studies successfully at William Clarke College.
