## HEADMASTER'S WELCOME

The Arts play a central and vital role in all our lives. Whether you listen to music, enjoy drama, love dancing or simply love to draw or even take photographs, the Arts influence our lives more so today than ever. The Arts allow us to celebrate and experience deep joy. Through the Arts we can be taken to magical faraway places or be exposed to themes that confront us and challenge us to think about our lives. The Arts can bring us closer to our Creator, expose us to pure beauty and support us to be better versions of ourselves.

As Headmaster, I have always enjoyed hearing or seeing the gifts of our students. The Music Art Drama Dance (MADD) Festival provides another opportunity to showcase the many and varied God-given abilities that exist within our community; I particularly can't wait to hear the Community Choir.

Please sit back, relax and enjoy the MADD 2019 Festival!

God bless,

Dr Scott Marsh – Headmaster

## MADD FESTIVAL 2019

Due to popular demand, William Clarke College is holding our second Music, Art, Drama and Dance Festival this year. This event was one of the highlights of the College last year where participating students had the opportunity to further develop their skills and talents in the Creative and Performing Arts areas.

Our students have displayed great enthusiasm and enjoyment in attending the 3 days of workshops leading up to the Saturday afternoon and evening concerts. They have relished the opportunity to exercise their creativity and work together to produce some fine performances and pieces of work. It is so pleasing to see our students progressing their skills in the Creative and Performing Arts areas in such a short period of time. A special thank you goes to the staff who have so capably led our students in these workshop sessions.

The Hospitality and Food Technology students are to be commended on the culinary delights they have prepared and will serve late this afternoon. Our TAS staff have worked extremely hard behind the scenes to assist and support our students with the fine finger food they serve and I thank them for their time and efforts.

May the evening concert 'Featured' stimulate your senses as you view the amazing student performances showcasing their God-given gifts. Let's celebrate together the wonderful, artistic talents of our students this evening!

Mrs Janine Stillen – Deputy Head
