

Enrolment Criteria

We seek to offer places to those who are most likely to benefit from all that we have to offer and to those who will contribute the most to the College Community supporting its Purpose Statement and virtues.

Some of the things we take into consideration are:

- Family links with a church
- Willingness to be part of a Christ-Centred Community
- Sibling(s) at the College
- Parent or sibling who is a past student of the College
- School reports, test results or aptitudes
- Co-curricular skills and involvement

No one of these things is the decisive factor. Just as families are free to choose their school, the College is also free to select families best suited to the education we offer. Decisions are undertaken by the Director of Enrolments, the Headmaster of the College and the College Council.
