# MESSAGE FROM THE HEADMASTER

This document contains a brief 'snapshot' of student results from the 2019 High School Certificate. I am pleased to note that not only are the Class of 2019 a fine group of young people, they are also a wonderful cohort of scholars.

The Class of 2019 worked collaboratively and with sustained diligence so that they were able to progress their learning – these results are a testimony to that. As we seek to develop extraordinary learners with a passion to serve others, we acknowledge there will be many other stories of success and progress that are not captured here.

These HSC results reaffirm the quality of teaching and learning at the College, as well as the collaborative work of our staff in the provision of an engaging and nurturing academic environment.

To our Alumni, many thanks for the work you do in supporting the ongoing programs of the College which contributes to the growth of our students.

Finally, thank you to our parents and carers for partnering with the College as we continue to prepare students for success beyond success at school.

We look forward to sharing further achievements with you in the new year.

Well done Class of 2019. These results are a credit to you.

God bless.
