

10 November 2022

Dear Members of the William Clarke College Community

I am excited to announce that the College Council has appointed a new Head to lead the College from 1 January 2023.

Alex Koch, the successful candidate, comes to us from Arndell Anglican College. By way of history he was the School Captain of Sydney Church of England Grammar School – known to most of us as Shore – and graduated from University in Science, Education and Divinity. Alex has also served at several schools including St Catherine's, Waverley, St Andrew's Cathedral School and Shore. We believe Alex's personal faith aligns with the strong Christian foundation and tradition that is at the very core of William Clarke College.

I am sure the community shares the anticipation of meeting and welcoming Alex and his family into the College community over the next few months.

Please share with the Council in praying for Alex, wife Alana and family as he gets involved in all facets of College life and leads William Clarke College into 2023 and beyond.

Kind regards

Philip Bell  
Chairman  
William Clarke College Council
