# A MESSAGE FROM THE ACTING HEAD

This document contains a brief 'snapshot' of student results from the 2022 Higher School Certificate (HSC).

I am pleased to say that not only are the Class of 2022 a fine group of young people, they are also a wonderful cohort of scholars. The 2022 results indicate exceptional individual achievements and importantly, reveal the strong performance of this year group. These HSC results reaffirm the quality of teaching and learning at the College, as well as the collaborative work of our staff in the provision of an engaging and nurturing academic environment.

William Clarke College takes great pride in being a Christ-centred community that seeks to develop extraordinary learners with a passion to serve others. For the Class of 2022, there is no doubt that they are a cohort that have done just that, from caring and supporting each other during their senior years to embracing every opportunity on offer at the College.

As a community, we are thankful to the Class of 2022, you have outstanding character and these

results firmly reflect your courage and integrity. For some, these results reflect just the start of your studies. For others, it will be moving straight into the workforce and immediately applying your skills and learning a trade. Whatever path you take, may you flourish in accordance with your God-given identity and purpose.

I pray that all 2022 graduates carry with them a deep appreciation of the gift of learning. Learning is essential. Just like food nourishes our bodies, information and continued learning nourishes our minds.

Finally, thank you to our parents and carers for partnering with the College as we continue to prepare students for success beyond success at school.

Well done Class of 2022. These results are a credit to you.

God Bless
