A MESSAGE FROM THE HEAD OF COLLEGE

I am delighted to share the HSC results from the class of 2023.

The Higher School Certificate is the culmination of many years of hard work by students, with the support of their teachers and families. These results reflect the high standard of teaching and learning at the College, which has cultivated a cohort of extraordinary learners.

There are many obvious highlights to celebrate. These include having 3 students appear on the All-Rounders List, 5 courses having a student on the Top Achievers List and 1 student achieving first place in the state for a course.

While we delight to see our students performing at the highest achievement levels, we are equally delighted to see students demonstrating significant growth. As a comprehensive school, I am very pleased to see our students perform so well across a broad range of courses, with many showing extraordinary progress over their years at the College.

As we reflect on these wonderful achievements, it is important to recognise that a William Clarke College education cannot be captured in an examination mark. As the class of 2023 leaves us to face the challenges of an unpredictable future, it is my prayer that they carry with them the whole gamut of experiences and growth that they have taken from their time at the College. May they flourish wherever life takes them, taking every opportunity to serve their communities with their God-given talent and skills.

Well done to the Class of 2023. We look forward to seeing the many ways you will take what you have learned here and make a positive difference in God's world.

Mr Alex Koch
Head of College

HSC ACHIEVEMENTS

WILLIAM CLARKE
COLLEGE
CHRIST OUR WISDOM

1st

in course:
Information Processes and Technology

77.5%
